CATHOLIC ALPHA IS COMING!

What Is Alpha? Alpha is a series of interactive sessions exploring the Christian faith. Alpha runs all around the world in cafés, churches, universities, homes, bars—you name it. No two Alphas look the same, but they have three key things in common: food, a talk, and good conversation. This is a very effective tool in evangelization.

Food

Offering a meal or snack is an essential part of Alpha; eating food together is great for building community. Most sessions start with food and a chance get to know each other.

Talk

After the meal, a short talk is given—either live or played as a video. The talks, which explore the big issues around faith, are designed to engage and inspire conversation and draw people to come to know God.

Small Group Discussion

The small groups provide the opportunity to share thoughts and ideas on the topic, and to build trust and friendship. The role of the host (leader) is to facilitate discussion, inviting guests to share openly and honestly, without any criticism or judgment. The groups often develop into small Christian communities within the parish.

Stay tuned - our first Alpha will begin on Thursday February 20 from 6:30-8:30pm.

Altar Servers

CALLING ALL YOUNG PEOPLE!!

We are currently recruiting boys and girls who are interested in becoming altar

servers. This is an important ministry in the church and a great opportunity for children to participate in the life of the parish and to become fully involved in the Mass. You will make great friends and learn fantastic life skills. Serving requires instruction and then a commitment to serve faithfully. If you have any questions or would like to become involved, please contact the parish office or speak to Fr. Rico after any Mass.
