Yesica: a voice that reverberates from the Amazon to the Synod

Yesica Patiachi Tayori of the Peru's Harakbut Indigenous community was invited to the Synod of Bishops for the Pan-Amazon Region in October 2019. She said, "We, the Indigenous peoples, have been, are and will always be the guardians of the forest. But caring for our common home is everyone's responsibility, not just that of Indigenous

peoples." Development and Peace's partner, the Amazonian Centre for Anthropology and Practical Application (CAAAP), helps the Indigenous peoples of the Amazon ensure that their rights and territories are respected. On this **International Women's Day**, let us salute the courage of women like Yesica, who bravely lead the defence of the land, water and people.

Watch Yesica's testimony at devp.org/campaign/yesica.

MARIAN PILGRIMAGE TO FRANCE, SPAIN & PORTUGAL WITH FR. RICO!

After much prayer and reflection, I have determined that God has put on my heart to lead another pilgrimage this year for our community. After having led pilgrimages to the Holy Land and to Italy to celebrate the beginning of our Church, I have decided that our next pilgrimage should focus on the Blessed Mother - Mary. I will be leading a Marian pilgrimage to Fatima and Lourdes. I am very excited to be able to take those who may be interested to the sites of great healing in Lourdes and the very spot where Mary appeared to the three shepherd children – Lucia, Francisco and Jacinta in Fatima. We will also be taking in the culture of France, Spain and Portugal – visiting the historic site of Normandy at Juno Beach and thanking God for the witness of our Canadian soldiers who fought for our freedom, the amazing cities of Barcelona, Paris and Madrid to name a few, and enjoy the tasty foods and cultural beauty of these cities. Those interested may speak to me directly or fill out the registration form and send it in immediately. This pilgrimage promises to be a sell out! Don't be disappointed. Join us!
